The Honorable John Taber
House of Representatives
Washington 25, D. C.

Dear John:

Since writing to you on 30 January 1959 concerning Mr. [redacted] I have reviewed the results of our canvass of employment opportunities for him. I am sure that you appreciate that openings at a salary level to attract a man of caliber are infrequent and the field of consideration was further limited by his interest only in assignment abroad.

Needless to say, our people took note of [redacted] executive experience and of the favorable impression he has made on you. We gave first consideration to possible assignments which would take advantage of [redacted] experience but also explored prospects for using his managerial skill in a less specialized field. However, we have not located anything available which would be suitable.

Thank you again for bringing [redacted] to my attention. I am glad to know of his interest and desire to apply his talents to government service. I have no specific plan in mind for him but will let you know if there is an appropriate future occasion for his working with us.

Sincerely,

SIGNED
